DEPARTMENT OF REVENUE
OF THE STATE OF MONTANA

In the matter of the adoption of New)
Rule I relating to the electronic)

NOTICE OF ADOPTION

TO: All Concerned Persons

1. On October 17, 2013, the department published MAR Notice Number 42-2-897 regarding the proposed adoption of the above-stated rule at page 1806 of the 2013 Montana Administrative Register, Issue Number 19. The Board of Review was properly involved with the drafting of the new rule and in agreement with the proposed rulemaking action contained in the notice. Although the department does provide the administrative functions for the board, the notice of public hearing should have been filed as being before the Board of Review rather than as before the Department of Revenue. This subsequent notice of adoption contains the correct heading and signature title.

2. A public hearing was held on November 12, 2013, to consider the proposed adoption. No one appeared at the hearing to testify and no written comments were received. Therefore, the board adopts New Rule I (42.8.106) as proposed.

3. An electronic copy of this notice is available on the department's web site, revenue.mt.gov. In the left hand column under Quick Links, select "Laws and Rules," then "Rules" and then "Adoption Notices." The department strives to make the electronic copy of this notice conform to the official version of the notice, as printed in the Montana Administrative Register, but advises all concerned persons that in the event of a discrepancy between the official printed text of the notice and the electronic version of the notice, only the official printed text will be considered. While the department also strives to keep its web site accessible at all times, in some instances it may be temporarily unavailable due to system maintenance or technical problems.
